Basic Information

- Place of Origin: China
- Brand Name: BYD
- Model Number: BYD TANG DMI
- Minimum Order Quantity: 1
- Price: RMB

Product Specification

- Battery Capacity: 21.504 KWh Blade Battery
- Electric Cruising Range 215 (km):
- Powertrain: Fifth-generation DM Plug-in Hybrid Technology With 310 KW Combined Maximum Power
- Product Name: 2025 BYD Tang DM-i Flagship SUV 1.5T Auto Gearbox Left Steering Hybrid Car 7 Seats
- Wheelbase (mm): 2820
- Total Motor Power (kW): 102 (139Ps)
- Fuel Economy: 5.5 L/100km Electricity Fuel Consumption
- Electric Motor Power: Extended Range 139 Horsepower
- Highlight: **Chinese Electric SUV 102kW,**

Product Description

Product Description:

The 2025 BYD Tang DM-i Flagship SUV 1.5T Auto Gearbox Left Steering Hybrid Car 7 Seats is an exceptional China Hybrid SUV that combines cutting-edge technology with eco-friendly features. This Chinese Electric SUV is equipped with a powerful 21.504 kWh blade battery, providing a reliable and efficient source of energy for an extended driving range.

One of the standout features of this BYD Tang DM-i Flagship SUV is its advanced DiPilot smart driving assistance system, ensuring a safe and smooth driving experience. Whether you are navigating busy city streets or embarking on a long road trip, this system enhances the overall safety of the vehicle.

With a combined driving range of 1,150 kilometers, this Chinese Electric SUV offers impressive efficiency and convenience for daily commutes and long journeys. The spacious interior, capable of accommodating up to 7 passengers, ensures a comfortable and enjoyable ride for all occupants.

Furthermore, the BYD Tang DM-i Flagship SUV boasts a wheelbase of 2820 mm, providing stability and control on various road surfaces. Whether you are driving through urban landscapes or tackling challenging terrains, this SUV delivers a responsive and dynamic performance.

Features:

Product Name: Chinese Electric SUV

Design Features:

Retains BYD's signature 'Dragon Face' design

'Weiyang Grey' color option

Blacked-out sports package

Battery Capacity: 21.504 kWh blade battery

Total Motor Power (kW): 102 (139Ps)

Fuel Economy: 5.5 L/100km electricity fuel consumption

Acceleration (0-100 km/h): 7.5 seconds
